

SINGING HILLS SHOW PROSPECT CONTRACT 2020

This contract exists between Singing Hills Kennel (Bruce and Caron Jones) and _____
_____. The goal of the contract is to establish responsibilities for each party. Singing Hills has placed this prospect puppy with the Buyer in hopes that the puppy can be trained and shown to his/her championship in confirmation. Once this is achieved, the puppy can be bred with a STUD or Dam approved by all parties. Bruce and Caron Jones will mentor those who are Airedale Terrier Club of America members. No breeding will happen prior to the Championship being completed.

The health of the puppy needs to be checked by the Buyer's vet within 3 days of pick up. Hips are to be checked by OFA or PennHip prior to breeding. If there are any concerns, the Jones will decide how to proceed.

The purchase price is _____. The dog/Bitch will be registered at the cost of the Buyer. In the event the Buyer cannot perform by this contract, the Jones's have the right to champion the dog/Bitch and whelp 2 litters for their breeding program if desired. The dog/Bitch must be computer chipped by the Buyer. In the event of a health issue with the Buyer, the Seller deserves to get the Dog/Bitch back to breed for its kennel stock.
